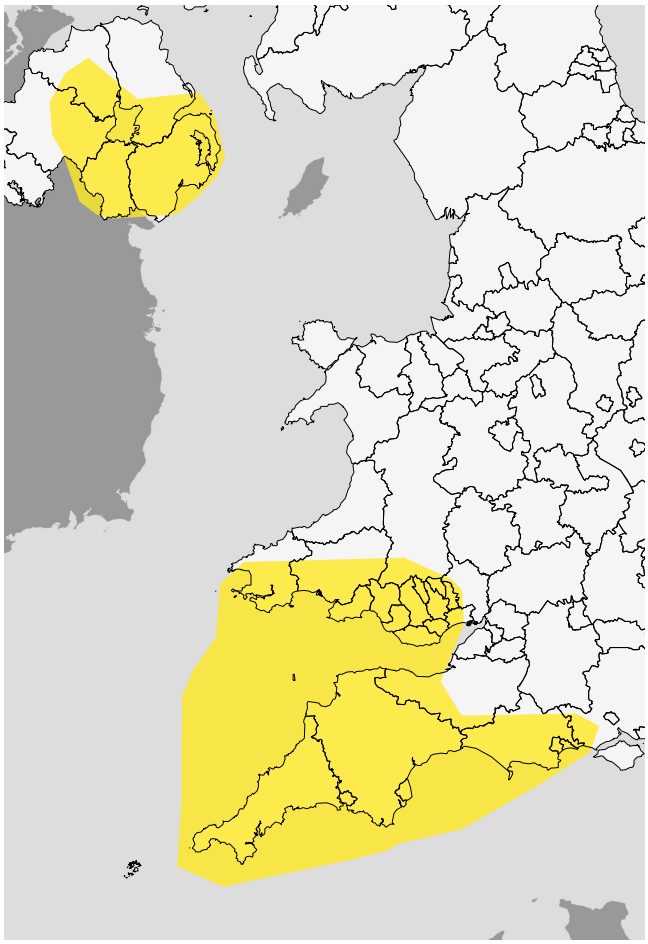
Yellow warning
Rain & Wind

Between
06:00 Sat 15 Dec 2018 and
18:00 Sat 15 Dec 2018



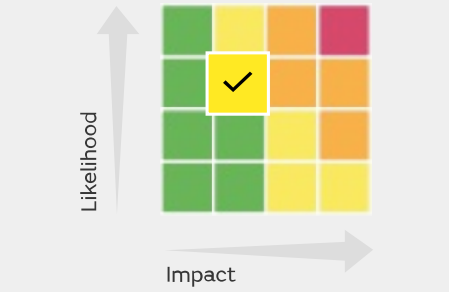
Heavy rain and strong winds across parts of Northern Ireland , south-west England and south Wales.

What to expect

- Spray and flooding on roads probably making journey times longer
- Flooding of a few homes and business is possible
- Delays for high-sided vehicles on exposed routes and bridges likely
- Some short term loss of power and other services is possible
- Some festive events may be affected by poor conditions.

Further details

Heavy rain and gales will affect parts of Northern Ireland and southwestern areas of the UK on Saturday. The wettest areas could see 30 to 50 mm of rain in 6 to 12 hours, while winds could gust to between 50 and 60 mph, especially in exposed coastal areas. The combination of these factors on a busy shopping weekend, may add to potential disruption.



Medium likelihood of low impacts
